## RESOLUTION NO. 1711

Whereas, the Mayor and City Council of the City of Minden, Nebraska recognizes that we are in a pandemic due to COVID-19. And that we have seen increased cases since the beginning of the pandemic and are cognizant of the limited resources and strain on our hospital staff and system due to the number of positive COVID-19 cases. We will work with the Minden Chamber of Commerce, city officials, health staff, and local health board to urge those in our community over the age of 5 to wear a mask/face covering if possible when entering public and private businesses. We understand that some businesses may require mask/face coverings to be worn before entering. It is up to individual businesses to decide how they will handle mask/face covering policies within their own establishment.

Whereas, the Mayor and City Council of the City of Minden, Nebraska understands that wearing a mask/face covering may not always be feasible or reasonable in situations such as eating, being in an enclosed separate office space or vehicle, occupations that may prevent the wearing of mask/face covering, receiving services or purchasing goods that may require the removal of a mask/ face covering, to verify your identity for a lawful purpose, providing speeches, lectures or broadcasts wherein the audience is at least six feet away and other situations because of a disability, medical or mental health condition that makes it unreasonable for the individual to wear a mask/face covering.

Whereas, the Mayor and City Council of the City of Minden, Nebraska reminds all citizens within our community to follow all Directed Health Measures issued by the Governor and State Department of Health and Human Services.

Whereas, Resolution 1711 is set to expire upon the Center for Disease and Prevention Control declaring the end of the COVID-19 pandemic.

NOW, THEREFORE IT BE RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF MINDEN.

The Mayor and City Council of the City of Minden, Nebraska urges everyone that lives in our City or may come into our City to do the right thing and help slow the spread of COVID-19.

Councilmember Yant moved for the adoption of the foregoing Resolution. Councilmember Evans seconded the motion. On roll call the following voted Aye: Evans, Sumstine, Carlson, and Yant.

The passage of said Resolution having been consented to by a majority of the members of the City Council, the Mayor declared the Resolution passed and adopted, this 4th day of January, 2021.
