Yard Maintenance

According to section 70-55 of the Minden Municipal Code, it shall be unlawful for the resident of any lot within the city to deposit leaves, branches, grass clippings or yard waste, gravel, rock, dirt or aggregate of any kind on the sidewalks. This also includes the right of way, streets, or gutters of the city. It is unlawful to allow such materials to remain on the locations described above.

When you keep leaves out of the street you help the storm sewer system, which can get clogged with leaves as they freeze and take up valuable space designated for water. All yard waste may be taken to the City of Minden's Grass Clippings & Tree Pile at Hwy 6/34 and 35 Road.
