Section 2. (a) The Mayor and Council further find and determine that all conditions, acts and things required by law to exist or to be done precedent to the issuance of General Obligation Various Purpose Bonds of the City in the principal amount of not to exceed \$3,120,000 pursuant to Sections 17-509, 17-516, 17-925, 18-1801, and 18-1802, Reissue Revised Statutes of Nebraska, as amended, to pay and reimburse the costs of improvements in the Districts, including engineering, legal, fiscal, financing and miscellaneous expenses, do exist and have been done as required by law. necessary or appropriate in connection with issuance of the Bonds. The Bonds shall consist of fully registered bonds without coupons, numbered from **R-1** upward, in denominations of **\$5,000** or any integral multiple thereof. The Bonds, as originally issued or issued upon transfer, exchange or substitution, shall be substantially in the form set forth in **Section 5**. The Bonds shall be dated the date of delivery thereof (the **“Date of Original Issue”**), shall be due and payable serially on the dates and in the amounts, and shall bear interest at the rates per annum all as provided in the Designation (described herein).

(b) The Bonds or any portion thereof are hereby authorized to be sold pursuant to a negotiated sale with First National Capital Markets, Inc., or such other underwriting firm determined in the Designation, as initial purchaser (the **“Underwriter”**). In connection with such sale, the Authorized Officers are hereby authorized to specify, determine, designate, establish and appoint, as the case may be, in one or more written designations which may be included in a bond purchase agreement (each, a **“Designation”**), (i) the aggregate purchase price of the Bonds and the underwriting discount which shall not exceed 2.00% of the aggregate stated principal amount thereof, (ii) the form and contents of any bond purchase agreement in connection with such sale, (iii) the title, dated date, aggregate principal amount (including the aggregate principal amounts of serial Bonds and term Bonds, if any), which aggregate stated principal amount shall not exceed \$3,120,000, and the final maturity date, which shall not be later than December 15, 2043, (iv) the principal amounts maturing in each year, (v) the rate or rates of interest to be borne by each principal maturity, and any original issue premium or original issue discount, provided that the true interest cost of the Bonds shall not exceed 7.50%, (vi) the principal payment dates and interest payment dates, (vii) whether the Bonds will be subject to redemption prior to their stated maturity, and if subject to such optional redemption, the provisions governing such redemption, including a redemption price not to exceed 104% of the principal amount then being redeemed plus accrued interest to the date of redemption, (viii) the amount and due date of each sinking fund installment for any of the Bonds issued as term Bonds, (ix) the designation of the Registrar and the form and content of any agreement between the City and such entity, (x) the form, content, terms and provisions of any published and/or mailed notice of redemption with respect to the payment and/or redemption at or prior to maturity of any interim financing issued by the City to finance improvements in the Districts, (xi) the maturities of the Bonds allocated to costs attributable to the Sewer District and the maturities of the Bonds allocated to costs attributable to the Paving Districts, and (xii) all other terms and provisions of the Bonds not otherwise specified or fixed by this Ordinance.

(c) The Bonds shall be subject to redemption at the option of the City prior to the stated maturities thereof at any time on or after the fifth anniversary of the Date of the Original Issue (or on such other date as determined in the Designation), as a whole, or in part from time to time in such principal amount and from such maturity or maturities as the City, in its sole and absolute discretion shall determine, and in the event that less than all of the Bonds of any maturity are to be called for redemption, the particular Bonds of such maturity to be redeemed shall be selected by lot, at a redemption price of the amount thereof, together with the interest accrued on such principal amount to the date fixed for redemption.

The Bonds shall be redeemed in whole multiples of \$5,000 and if any Bond be in a denomination in excess of \$5,000, portions of the principal amount thereof in installments of \$5,000 or any multiples thereof may be redeemed, and if less than all of the principal amount thereof is to be redeemed, in such case upon the surrender of such Bond there shall be issued to the registered owner thereof without charge therefor, for the then unredeemed balance of the principal amount thereof, Bonds of like series, maturity and interest rates in any of the authorized denominations provided by this Ordinance.

Notice of redemption of Bonds stating their designation, date, maturity and principal amounts shall be given by the Registrar by mailing such notice by first-class mail, postage prepaid, not less than thirty (30) days prior to the date fixed for redemption to the registered owners at their most recent addresses appearing upon the books of registry, but failure to mail such notice shall not affect the proceedings for redemption. Notice of redemption need not be given to the holder of any Bond, whether registered or not, who has waived notice of redemption. Notice of redemption having been given as provided above or notice of redemption

having been waived by the owners of Bonds called for redemption who have not been given such notice as provided above, the Bonds so called for redemption shall become due and payable on the designated redemption date. The City shall give written notice to the Registrar of its election to redeem Bonds at least forty-five days prior to the said redemption date, or such shorter period as shall be acceptable to the Registrar. If on or before the said redemption date funds sufficient to pay the Bonds so called for redemption at the applicable redemption price and accrued interest to said date have been deposited or caused to have been deposited by the City with the Registrar for the purposes of such payment and notice of redemption thereof has been given or waived as hereinbefore provided, then from and after the date fixed for redemption interest on such Bonds so called shall cease to accrue and become payable. If such funds shall not have been so deposited with the Registrar as provided on or before the date fixed for redemption, such call for redemption shall be revoked and the Bonds so called for redemption shall continue to be outstanding the same as though they had not been so called, and shall continue to bear interest until paid at such rate as they would have borne had they not been called for redemption, and shall continue to be protected by this Ordinance and entitled to the benefits and security hereof.

Section 3. Interest on the Bonds at the respective rates for each maturity is payable semiannually as determined in the Designation (each of such dates an “**Interest Payment Date**”) from the Date of Original Issue or the most recent Interest Payment Date, whichever is later, until maturity or earlier redemption by check or draft mailed by the Registrar or its successor on such Interest Payment Date to the registered owner of each Bond at such registered owner’s address as it appears on the Bond Register maintained by the Registrar or its successor at the close of business on the fifteenth day preceding such Interest Payment Date (the “**Record Date**”) subject to the provisions of the following paragraph. The principal on the Bonds and the interest due at maturity or upon redemption prior to maturity is payable in lawful money of the United States of America to the registered owners thereof upon presentation and surrender of such Bonds to the Registrar.

In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Registrar whenever moneys for the purpose of paying such defaulted interest become available.

If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the Registrar is located, are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 4. Bonds shall be executed on behalf of the City by the manual or facsimile signatures of the Mayor and Clerk and shall have the City Seal impressed or imprinted on each Bond. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds and shall cease to be such officer before the delivery of the Bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate or authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Ordinance.

Section 5. The Bonds shall be in substantially the following form:

Section 6. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and Clerk. The Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “**Depository**”), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of understanding and representation (the “**Representation Letter**”) in the form required by the Depository, for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The City and the Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “**Bond Participant**”) or to any person who is an actual purchaser of a Bond from the Bond Participant while the Bonds are in book-entry form (each, a “**Beneficial Owner**”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond.

(b) Upon receipt by the Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the City and the Registrar to do so, the City and the Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Registrar in writing, the Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of certificates representing the Bonds. In such event, the City and the Registrar shall issue, transfer or exchange certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Representation Letter.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any persons, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of Section 3(d) of this Ordinance, the books and records of the Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced, the City shall immediately provide a supply of printed bond certificates for issuance upon the transfers from the Depository and subsequent transfer or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Registrar for issuance of replacement Bonds upon transfer or partial redemption, the City agrees to order printed an additional supply of certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting Mayor and Clerk. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Registrar for issuance upon transfer), such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Registrar. The Bonds shall be delivered to the Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the Underwriter, as the initial purchaser thereof, upon receipt of the full purchase price of the Bonds as set forth in the Bond Purchase Agreement hereinafter approved. Such initial purchaser shall have the right to direct the registration of the Bonds and the denomination thereof within each maturity, subject to the restrictions of this Ordinance. The Underwriter and its agents, representatives and counsel (including the City's bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Bond Purchase Agreement (the "**Purchase Agreement**") to be entered into between the City and the Underwriter with respect to the purchase of the Bonds from the City, in such form as the Authorized Officer executing the Purchase Agreement shall in the exercise of his or her own independent judgment and absolute discretion determine to be necessary, proper, appropriate, advisable, or desirable in order to effectuate the issuance, sale, and delivery of the Bonds, be and the same is hereby in all respects authorized, adopted, specified, accepted, ratified, approved and confirmed.

Section 7. An Authorized Officer, or one or more of them, shall designate the Bond Registrar and Paying Agent (the "**Registrar**") for the Bonds in the Designation. The Registrar shall keep the books for the registration and transfer of Bonds at its office. If the Registrar is a bank or trust company, the Registrar shall serve in such capacities under the terms of an agreement entitled "**Paying Agent and Registrar's Agreement**" between the City and the Registrar, the form of which shall be approved by an Authorized Officer. The Mayor and Clerk are hereby authorized to execute said agreement in substantially the form presented but with such changes as they shall deem appropriate or necessary. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. The transfer of any Bond may be registered upon the books kept for the registration and registration of transfer of Bonds upon presentation and surrender thereof to the Registrar together with an assignment duly executed by the registered owner or such registered owner's attorney or legal representative in such form as shall be satisfactory to the Registrar. Upon any such registration of transfer, the City shall execute and the Registrar shall authenticate and deliver in exchange for such Bond, a new Bond or Bonds of any denomination or denominations authorized by this Ordinance of the same series and maturity and in the same aggregate principal amount and bearing interest at the same rate. Bonds may be exchanged at the principal office of the Registrar for a like aggregate principal amount of Bonds and the City shall execute and the Registrar shall authenticate and deliver Bonds which the owner making the exchange is entitled to receive, numbered consecutively beginning after the last number then outstanding and of the same maturity and bearing interest at the same rate as the Bonds surrendered for exchange. The Registrar may impose a charge sufficient to defray all costs and expenses incident to registrations of transfer and exchanges. In each case the Registrar shall require the payment by the owner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

The Registrar shall not be required to transfer Bonds for a period of 16 days next preceding any interest or principal payment date or to transfer any Bonds for a period of 30 days next preceding any date fixed for redemption.

The Registrar shall also be responsible for making the payments of principal and interest as the same fall due upon the Bonds from funds provided by the City for such purpose. Payments of interest due upon the Bonds prior to maturity or redemption shall be made by the Registrar by mailing a check in the amount due for such interest on each interest payment date to the registered owner of each Bond as of the close of business on the fifteenth day of the month immediately preceding the month in which interest on the Bonds is payable, addressed to such owner's registered address as shown on the books of registration as required to be maintained under this **Section 7**. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with any accrued interest then due, shall be made by the Registrar upon presentation and surrender of such Bond at the office of the Registrar. The City and the Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for purposes of making payment thereon and for all other purposes. All payments on account of interest or principal made to the registered owner of any Bond shall be valid and effectual and shall be a discharge of the City and the Registrar in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 8. After the Bonds are executed by the City they shall be delivered to the Registrar for authentication and registration as to ownership, and in the denominations designated in writing by the initial purchaser thereof hereinafter identified. After execution, authentication and registration of the Bonds, the City Treasurer is authorized and directed to deliver them to the Underwriter upon receipt of the purchase price of the Bonds as set forth in the Bond Purchase Agreement hereinafter approved.

Section 9. The City agrees that it will cause to be levied and collected annually a tax by valuation on all the taxable property in the City, except intangible property, in addition to all other taxes, which with other funds of the City available therefor, shall be sufficient in rate and amount to fully pay the principal of and interest on the Bonds as the same become due.

Section 10. The Clerk shall make and certify one or more complete transcripts of the proceedings had and done by the City precedent to the issuance of said Bonds, a copy of which transcript shall be delivered to the initial purchaser of the Bonds. After being executed by the Mayor and Clerk, said Bonds shall be delivered to Underwriter.

Section 11. The City hereby covenants with the purchasers and holders of the Bonds herein authorized that it will make no use of the proceeds of said issue, including monies held in any sinking fund for the payment of principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103 and 148 and other related sections of the Internal Revenue Code of 1986, as amended (the "**Code**"), and further covenants to comply with said Sections 103 and 148 and related sections and all applicable regulations thereunder throughout the term of said issue. The City hereby covenants and agrees to take all actions necessary under the Code to maintain the tax-exempt status (as to taxpayers generally) of interest payable on the Bonds. The City hereby authorizes the Authorized Officers, or any one or more of them, as and if appropriate, to designate the Bonds as its "qualified tax-exempt obligations" pursuant to Section 265(b)(3)(B)(i)(III) of the Code and covenant and warrant on behalf of the City that the City does not reasonably expect to issue tax-exempt bonds or other tax-exempt interest bearing obligations aggregating in principal amount more than \$10,000,000 during the calendar year in which the Bonds are issued (taking into consideration the exception for current refunding issues). The City agrees to take all further actions, if any, necessary to qualify the Bonds herein authorized as such "qualified tax-exempt obligations" as and to the extent permitted by law.

Section 12. The City hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the "**Continuing Disclosure Undertaking**") in such form as shall be satisfactory to the City and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this resolution, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this section.

Section 13. The proceeds of the Bonds shall be applied to pay the costs of the improvements in the Districts as described in Section 1 hereof, including reimbursement of expenses already paid by the City for the costs of such improvements in the Districts, and issuance expenses for the Bonds. Pending such application the City Treasurer may hold such proceeds.

Section 14. The City's obligation under this Ordinance shall be fully discharged and satisfied as to the Bonds authorized and issued hereunder, and said Bonds shall no longer be deemed outstanding hereunder when payment of the principal of such Bonds plus interest thereon to the date of maturity or redemption thereof (a) shall have been made or caused to be made in accordance with the terms thereof; or (b) shall have been provided by depositing with the Registrar or in escrow with a national or state bank having trust powers, in trust solely for such payment (i) sufficient moneys to make such payment or (ii) direct general obligations of, or obligations the principal and interest of which are unconditionally guaranteed by, the United States of America or obligations of an agency of the United States of America (herein referred to as "**Government Obligations**"), in such amount and maturing as to principal and interest at such times, as will insure the availability of sufficient moneys to make such payment, and such Bonds shall cease to draw interest from the date of their redemption or maturity and, except for the purposes of such payment, shall no longer be entitled to the benefits of this Ordinance; provided that, with respect to any Bonds called or to be called for redemption prior to the stated maturity thereof, notice of redemption shall have been duly given. If moneys shall have been deposited in accordance with the terms hereof with the Registrar as escrow agent in trust for that purpose sufficient to pay the principal of such Bonds, together with all interest due thereon to the due date thereof or to the date fixed for the redemption thereof, as the case may be, all liability of the City for such payment shall forthwith cease, determine and be completely discharged, and such Bonds shall no longer be considered outstanding.

Section 15.
