Reminders

Yard Maintenance:

- According to section 70-55 of the Minden Municipal Code, it shall be unlawful for the resident of any lot within the city to deposit leaves, branches, grass clippings or yard waste, gravel, rock, dirt or aggregate of any kind on the sidewalks. This also includes the right of way, streets, or gutters of the city. It is unlawful to allow such materials to remain on the locations described above.
- When you keep leaves out of the street you help your yard AND the storm sewer system, which can get clogged with leaves as they freeze and take up valuable space designated for water. All yard waste may be taken to the City of Minden's Grass Clippings & Tree Pile at Hwy 6/34 and 35 Road.

Hydrant Flushing:

- The City of Minden has begun its annual flushing of fire hydrants. This process does stir up sediment and may cause temporary discoloration of your water. Running your faucets will reduce the discoloration while the sediment moves through the water system.

New Sanitation Rates:

- On July 15th the City Council approved Resolution 1799. This Resolution approved an increase in trash rates. Residential Rates will be increasing after October 1, 2024 from \$14.50 to \$17.50 and each additional toter will increase from \$8 to \$11 per toter. Commercial toters will increase from \$17.50 to \$20.50 and each additional toter will increase from \$10 to \$13. Please call City Hall with any questions.

- Online payments can be made on our City Website for Utility Bills ONLY.
