FOR IMMEDIATE RELEASE

Highway N-74 Closed in Minden

May 18, 2023 (McCook, Neb.) — Highway N-74 will temporarily be closed between Brown Avenue and Nebraska Avenue for reconstruction on May 22, 2023, according to the Nebraska Department of Transportation. Highway traffic will be controlled using the detour route listed. Local traffic will have access using alternative streets. Access to all properties will be maintained during the closure. Pedestrians should use alternate crossings to the north and south. Weather permitting the closure should be in place for approximately three weeks from start of construction on the junction.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and to put phones down.
