Important

Time off is highly considered in the hiring process. Only apply for jobs listed above that you have minimal to no conflicts with. More than one week off for an aquatic position may reduce the chance of employment for new or returning applicants. Below, please write down all the times, days, and dates that you will not be available to work this summer (include college classes, other jobs, vacations, sports camps, etc.). If you are unaware of your exact work conflicts, please put the approximate dates/times. Failure to announce potential work conflicts now could result in termination if hired.
